Thomas International and ISV Fast Path Announce Strategic Partnership

January 22, 2008(Toronto) - Thomas International, a global leader in the provision of on-demand behavioral assessments announced today a partnership with ISV Fast Path, provider of high quality, fully functional software training solutions for the recruitment sector.

This partnership paves the way for a seamless catalogue of recruitment solutions employers can utilize when hiring and training top talent. Thomas International's DISC-based behavioral assessments are delivered software-as-a-service (SaaS) and are designed to meet the unique requirements of small, mid-sized, and enterprise level companies in every industry.

“Working together we will be able to deliver a solution to recruiters that will give them a real competitive advantage”

Martin Reed
CEO
Thomas International

Laurie Dobson, CEO ISV Group comments “ISV is pleased to have forged a partnership with Thomas International which will bring added value to our clients. It is important to us that our partners share our own principles of adhering to the highest business ethics and the provision of first class customer service. We have found these values within Thomas International.”

Martin Reed, CEO Thomas International comments “Thomas’ comprehensive range of assessment tools have been making a real difference to the success and profitability of recruiters’ businesses for over 25 years. The UK recruitment industry offers a huge opportunity to build, develop, and provide innovative and creative assessment solutions for businesses and their people needs and the partnership with ISV enables both companies to capitalize on this. Working together we will be able to deliver a solution to recruiters that will give them a real competitive advantage.”
