PERSONAL STYLE

Mr. Sample is thorough, friendly and sincere by nature. A consistent worker who prefers to be a member of a team, he is capable of applying himself to most tasks once he knows what is required. He is able to do detailed work, but does not necessarily enjoy it. Mr. Sample has good communication skills and the drive to achieve. His overall approach is personable, friendly and patient.

He dislikes loose ends, preferring to see each task through to its logical conclusion before moving on to the next one. It is unlikely that this person will rush in, preferring to organize himself and obtain a thorough understanding of the job before starting. Mr. Sample is a self-starter, although not necessarily a quick one and it may be necessary to provide short-cut methods to enable him to get started. However, once he starts, he applies himself with great tenacity.

Loyalty and sincerity are natural attributes, valued by this person in others. He has strong opinions and is difficult to persuade when his mind is made up. He can often frustrate others who are of a more flexible nature by his reluctance to change course or adapt quickly. Mr. Sample wants to know what is expected of him.

Basically kind and appreciative, his feelings can be hurt despite his rather independent attitude. He is good at servicing and displays a lot of follow-through. He is team/group oriented and has a strong need to belong. There is a tendency for him to not reveal his true thoughts. Mr. Sample is a good listener and can build a sense of trust in others fairly easily. However, he resents being told or hurried and could take criticism to heart. Mr. Sample probably differentiates between friends and acquaintances. He may avoid making decisions until he has all the details.
